

Sinclair

Broadcasting uses the public airwaves free of charge, and is obligated by law to serve the public interest. By airing such slanted content as an anti-Kerry "documentary" days before an election, they have abandoned every tenet of journalistic integrity. They pose a real danger to American democracy.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
